

JYOTI PANDEY

Business Analytics | Data Visualization | Life Sciences

Khatima, U.S. Nagar, Uttarakhand – 262308 | +91 8958779098 | jyotipandey2612@gmail.com

PROFESSIONAL SUMMARY

MBA (Business Analytics) final-semester candidate with a strong foundation in life sciences and hands-on experience in data analysis, business intelligence, and dashboard development. Skilled in Power BI and Tableau, with domain knowledge spanning healthcare, biotechnology, and content strategy. Eager to apply analytical and problem-solving abilities as a Business Analytics Intern to drive data-driven decisions.

WORK EXPERIENCE

Subject Matter Expert & Quality Analyst | **Innovalance Learning Pvt. Ltd.** | Jan 2024 – Feb 2025

- Analyzed complex academic questions in microbiology and biotechnology for student-support platforms.
- Delivered structured, high-quality solutions while maintaining quality assurance benchmarks.
- Reviewed peer content and collaborated with editorial teams for accuracy and consistency.
- Conducted background research to ensure factual depth and clarity of responses.

Research Intern | **Espin Nanotech Pvt. Ltd.** | Jan 2023 – Jun 2023

- Conducted applied research on nanofibers for wound healing and biomedical applications.
- Operated lab equipment including electrospinning systems and spectrophotometers; analyzed experimental data.
- Assisted in formulating biocompatible materials for wound dressing prototypes.
- Documented findings for dissertation submission and presented outcomes to academic supervisors.

Freelance Graphic Designer & Social Media Manager | **Career Vyas** | 2020 – 2021

- Designed marketing collateral, social media graphics, and brand assets using graphic design tools.
- Managed social media accounts — planned content calendars, created posts, and tracked engagement metrics.
- Analyzed performance data (reach, impressions, CTR) to optimize content strategy and improve audience growth.
- Collaborated with the client team to align visual communication with brand identity and campaign goals.

Subject Matter Expert Intern | **ServOn Solutions** | 2021 – 2022

- Created comprehensive academic content in microbiology and biotechnology aligned with university curricula.
- Developed solution manuals and academic support materials; verified references for accuracy.
- Gained practical experience with content digitization using MS Word and Excel.

EDUCATION

MBA – Business Analytics (Final Semester) | **Amity University** | Jul 2024 – Present

- Focus: Data Analytics, Business Intelligence, Statistical Analysis, Decision-Making for Business.
- Relevant coursework: Predictive Modelling, Data Visualization, Business Strategy, Research Methods.

M.Sc – Applied Microbiology and Biotechnology | **Banasthali Vidyapith** | Jun 2023

- CGPA: 7.00

KEY PROJECTS

Data Visualization Dashboard for Hospital Operations | *MBA Minor Project, Amity University, 2025*

- Developed interactive dashboards in Power BI & Tableau to analyze hospital operations.
- Visualized patient flow, bed occupancy, staff utilization, and financial metrics through KPIs and trend analysis.
- Enabled data-driven decision-making for hospital management using filters, drill-downs, and dynamic visuals.

Nanofiber Application in Wound Healing (Dissertation) | *Espin Nanotech, 2023*

- Conducted end-to-end research on nanofiber fabrication and biomedical application; documented and presented findings.

Lactic Acid Production from Biowaste

- Researched bacterial cultivation methods for lactic acid production from organic biowaste streams.

SKILLS

Analytics & BI Tools: Power BI, Tableau, MS Excel (data cleaning, pivot tables, charts), KPI reporting, trend analysis

Core Analytics Skills: Data cleaning, business intelligence, statistical analysis, dashboard development, decision-making

Design & Communication: Graphic design, social media management, content strategy, data storytelling, MS PowerPoint/Word

Life Sciences: Microbiology, biotechnology, nanotechnology, SDS-PAGE, PCR, spectrophotometry, electrospinning

Soft Skills: Teamwork, adaptability, time management, cross-functional collaboration, analytical thinking

CERTIFICATIONS

- Biotechnology Industrial Training Program – SIIC, IIT Kanpur (2022)
- Workshop on Nanofibers: Fabrication to Application – Espin Nanotech Pvt. Ltd. (2023)
